## Customer Testimonies

**Sandra Valenzuela**

**"Definitely a place we'd go back to!"**

My kids wanted to try out roller-skating during the summer. After a bit of Google searching, we found this place and decided to try it. While they definitely fell a lot, the two of them were happy and loved the pizza. Definitely a place we'd go back to!

**Michael D. Fulton**

**"Convenient and good for practice."**

A lot of other roller-skating rinks often aren't open when I'm free, so Incredi-Roll is a pretty good place for people who are busy. The place is charming and great on the less busy days of the week for me to just relax for a bit. Convenient and good for practice.

**Isaac Lang**

**"Just as fun as it was back then!"**

I used to go to this place a lot back when I was a teen, and one day I decided I wanted to go back and do some skating again. Needless to say, it was just as fun as it was back then! One day I'll get to convince my daughter to come skate with me here.
