Went on a walk outside with Felix! He loved seeing the snow fall to the ground and definitely had a lot of fun today. The area was pretty quiet, so I thought I should take some pictures of him for you guys to see. I know you all love Felix no matter what he’s doing. Also, tell me what you’ve been up to lately! It’s been snowing a lot less in our area lately, thankfully, and I’m hoping spring will come sooner rather than later.

These two were so cute today!! My mom came over to give me some things and we took the dogs out to play after lunch. It’s funny how much she loves them -- I remember she used to think they were a hassle and now she treats them like her own babies.

I’ve been thinking about getting some more treats for the two of them, but I wanted to try something new. Do you guys have any recommendations?

Cute

Was just lounging on the couch and watching a movie with Kiko and Mocha. Took this photo because I thought it was funny! Mocha loves to bother Kiko a lot and play with her. Lately Kiko's been interested in watching movies with me, though with the movies she doesn't like she'll end up falling asleep haha.
